

## British Values

In accordance with The Department for Education we aim to actively promote British values in school to ensure that young people can leave school prepared for life in modern Britain.

Pupils at St Christopher's are encouraged to regard people of all faiths, races and cultures with respect and tolerance and understand that while different people may hold different views about what is "right" and "wrong", all people living in Britain are subject to its law.

We actively promote the British values of:

- Democracy
- Rule of law
- Individual liberty
- Mutual respect
- Tolerance of those of different faiths and beliefs.

We promote these values through our school vision, our curriculum, teaching and learning strategies, PSHE, our Christian core values & collective worship as well as, the variety of enrichment activities in which our pupils participate.
